

## Boise River Basin Feasibility Study Open House

You are cordially invited to attend the  
Boise River Basin Feasibility Study Open House.

The Bureau of Reclamation and Idaho Water Resource Board will share early-stage information about a feasibility study for increasing water storage capacity within the Boise River system, particularly at Anderson Ranch Dam.

**Thursday, November 8, 2018**

**6:00 – 7:30 p.m.**

**Wyndham Garden Inn Boise Airport  
3300 S. Vista Avenue  
Boise, ID 83705**

A short introductory presentation will begin promptly at 6:00 p.m.  
Staff will be available for conversations throughout the evening.
